COUNCIL HIRES ARENA CUSTODIAN

Eight people applied for the job of arena custodian, and after much consideration, Council hired Brian Sisson of West Guilford.

Mr. Sisson has been the assistant arena manager in Haliburton for the past two years, and has his papers from the Department of Labour for refrigeration plant operation.

Mr. Sisson will be on the job here Monday, January 15th, and is making plans to move to Minden.

ELECTED TO BOARD OF GOVERNORS

Leon Frederick Loucks M.A. P.H.D. a former Minden student who has been a professor in chemistry for the past four years at the University of Charlottetown P.E.I. has recently been elected to the board of governors of that university. Leon with his wife and three children spent the New Year with his parents Mr. and Mrs. Vinton Loucks of this village.

MINDEN WINTER CARNIVAL COMING UP SOON

Minden Winter Carnival Chairman Ed Pettinger told the Progress this week that his Committee have one of the greatest Carnivals lined up in the history of this annual event.

Unfortunately the new Arena is not fully completed, but many of the events will be held on the new ice surface, and most of the activity will be in the Fair grounds.

To mention just a few of the events to be held on January 26, 27, 28, a gigantic parade will start things rolling on main street, included in the parade is the famous Brampton Clown Band. Hockey games, broom-ball games and Curling Bonspiels, along with a good program of figure skating, from the local club along with guest skaters from the Toronto Cricket Club.

The Kinsmen Club will stage something new in a Sno-Enduro. Along with these events Massey Ferguson Red Nites will be on hand and a group will perform an Indian Snake game. The Committee has a Helicopter lined up for anyone wishing to take a ride over our winter clad county.

More information will be available next week, so keep in touch.

NORM HARRISON ELECTED BOARD CHAIRMAN

At a meeting of the Arena and Recreation Board on Tuesday night, January 9th, Norm Harrison was elected Chairman of the Board.

Larry Scott was elected Vice-Chairman and Richard Parisotto was appointed by Council as Secretary-Treasurer of this Board, which serves the two Committees, Arena and Recreation.

The new Board had many items of business to attend to, and with the construction of the new Community Centre will be kept quite busy this term.

A few items on the agenda was the financing of a scoreboard and clock for the new arena, along with a P.A. system. More financing is needed for these items, and it is hoped some interested party will be interested in purchasing these items.

Committees were set up to look after the Playground activities this summer, along with a committee to work with local softball leagues in building a new ball diamond with flood lights. A Committee was also formed to work on plans and costs of a tennis court.

Brian Sisson the new custodian of the arena was in attendance and many plans and ideas were exchanged on the function of the new arena.

THE MAIDENS' VIEWPOINT!

by

Norm Maidens

Well, the honeymoon's over — the Christmas and New Year's festivities are behind us and it's "back to work".

Most of my material this week comes from the Prentice family and Fenwick Finch.

First of all Morgan and Lola wrote us a short little letter from their place in Florida, it was dated December 16th. They flew up and spent the Christmas holidays with Bill and Lenore and we had a little visit with them. Two days after they had flown back to Florida we received their letter. The U.S. must be still using the "Pony Express."

What makes me think the Prentice's must be in Utopia was an individual sugar container in Morgan's letter — "Sambo's, where coffee is still 10c" on the back of the container is "and there's no charge for refills."

I showed this to Fenwick when he came and he almost had a stroke — "there" he roared, "I knew danged well there must be some place you could get coffee at a sensible price."

I stopped him before he teed off on me and stirred up another hornet's nest about the price and quality of the local coffee.

The owner and publisher of the Progress is back from his trip "down South" — he and his family look tired but happy — they must have had quite a time. Believe me he and his family deserve the rest, for, running a newspaper in a small town or whatever is no easy task. You're "damned if you do and you're damned if you don't."

However, Al looks really sharp and ready to take on all comers.

Bill Prentice supplied me with my next "Little Gem." Bill got a circular letter from a swimming pool liner company and this little joke was in it. I pass it on to you for your edification.

"A young lady, advised by her dog's veterinarian to purchase a cream medication to remove hair-balls from her pet's ears, entered a drug store and asked for the druggist for a good hair remover.

"This is a well known brand, but it's very potent. It's O.K. to use full strength on your legs but if you're going to use it under your arms only use it at half strength," said the druggist.

"No," replied the young lady "it's not for my legs or underarms it's for my Schnauzer."

"In that case" answered the druggist, "use a mild solution and don't ride your bicycle for three weeks."

During the Holiday season apparently the "Finch" and his pals out at Howland Jct. had quite a time.

"You know Norman," said Fenwick, "as you know I've had a great deal of experience with "the Water of Life," taught to me by my paternal grand-father J. Pierrepont Finch. I've drunk 'er out of about anything — classes, cans, old shoes, your name if I was out last Sunday to a very fine little party with some convivial friends when I was served a drink in something I've never drunk out of before. — my hostess, (name censored) served me the drink in a hundred-year-old sterling silver thimble. This is very impressive when brought in on a tray but it sure'n Hell would set drinking back about 100 years.

Drive carefully during the future and maybe drinking by the "thimble" full ain't such a bad idea after all it would take quite a while to reach the legal alcohol limit.

NESWS FROM THE GUILD OF FINE ARTS

The Pottery Group, which has been in existence for five years, is becoming increasingly popular. In the fall session there were 46 members and it is anticipated that, as more and more people become aware that facilities for pursuing this fascinating hobby are available to them right here in the community, numbers will continue to grow.

The pottery studio at the High School afforded excellent accommodation when the group was small but with increasing membership and production it became a little cramped. Through the kindness and community spirit of the Board of Education, and thanks to the continuing generosity of Sir Sandford Fleming College in providing up-to-date equipment, a new larger studio has now been set up in the basement of Lakeview Centre.

The group is run on a co-operative basis, with more experienced members teaching and helping beginners.

Members at all levels of experience pay \$15.00 per session and attend classes one afternoon or evening a week. All members are encouraged to learn all aspects of pottery, including handwork, wheel work, glazing, and firing the kilns. Films and slides are shown from time to time and, once during each session, a workshop is arranged so that members may have the benefit of demonstrations by a professional teacher and are able to obtain answers to specific problems.

In the past, classes have been held on Tuesday and Wednesday afternoons and, evenings but as membership increases, it is anticipated that arrangements will be made for additional classes on another day. Members' work is exhibited and sold (if they wish) at exhibitions during the Winter Carnivals in Haliburton and Minden, during the summer Guild of Fine Arts Exhibition at the High School.

The Group is holding an Open House at Lakeview Centre (side entrance) on Wednesday, 17th January, both afternoon and evening. Registrations for the Winter Session will be taken at that time and members will be on hand to demonstrate different methods of pottery making.

Whether you are interested in registering or whether you would just like to see what goes on, you will be very welcome to drop in to Lakeview Centre or January 17th, from 2:00 to 4:00 p.m. in the afternoon and 7:00 to 9:00 p.m. in the evening.

CROSS-COUNTRY SKIING BOOMING IN ONTARIO - GOOD FOR FITNESS

A boon for fitness, fun and finances, cross-country skiing is enjoying a major revival in Ontario.

Once the only form of skiing there was, its enthusiasts in increasing numbers are striking out across country on inexpensive wooden skis, wearing flexible, soccer-type boots, to trek or race for as many as 30 to 50 miles a day.

For the novice, the enticements are many. The first is the price tag. A cross-country skier can completely outfit himself for about \$60 and there are now stores which sell cross-country gear exclusively.

Because the cross-country enthusiast can travel at his own pace, the sport is one that can be enjoyed at any age. One particular Canadian marathon actually drew entrants from six to 96 years.

Nor need he spend weeks taking lessons. "Anybody who can walk can ski cross-country," says a coach who organizes programs of ski-touring. The beginner need only master the easy, relaxed glide of the cross-country movement before heading out into the bush.

Cross-country skiing is just what the name implies. You simply take off over flat and sloped terrain at your leisure, enjoying nature as you go.

It can be a family picnic outing, too, winter-style. Says a recent recruit to the cross-country boom: "You can take a barbecued chicken, a thermos jug, lay out a tarpaulin and you're in business."

In Ontario, cross-country trails have been developed in some of the most picturesque skiing areas, including about 90 commercial establishments and 100 winter parks throughout every region of the province. Most of these are easily accessible.

A special new facility for cross-country skiers has been developed by Formosa Spring Brewery in conjunction with the Canadian Ski Association at the company's 90-acre conservation and recreation area adjoining its plant on Hwy. 400 just south of Barrie.

The scenic wooded trail area is now open to the public at no

admission charge. And to make family skiing a feature, sets of cross-country skis, bindings, poles and boots are available in limited quantity without charge for those who haven't equipment.

The company will also sponsor the Oktoberfest Trans-Am Cross-Country Ski Races to be held on a specially prepared trail at the Formosa Spring Park Saturday, February 24 under auspices of the CSA.

For further information about Ontario winter facilities and activities, write for free booklet — Ontario Winter Adventures: Press Officer, Ontario Ministry of Industry and Tourism, 900 Bay St., Hearst Block, Toronto 182, Canada.

The Clerk was directed to contact various persons and companies regarding the Food Concession.

Moved by Robert Gorrie, seconded by Al Coneybeare, that By-law No. 73-1 having been read a first time to be considered read a second and third time and passed.

This being a By-law to authorize the borrowing of \$250,000.00 to meet, until the taxes are collected, the current expenditures of the Municipality for the year.

Moved by Al Coneybeare, seconded by Doug Pritchard, that we do now adjourn. Time 5:40 p.m. Carried.

Mercury Snowmobiles

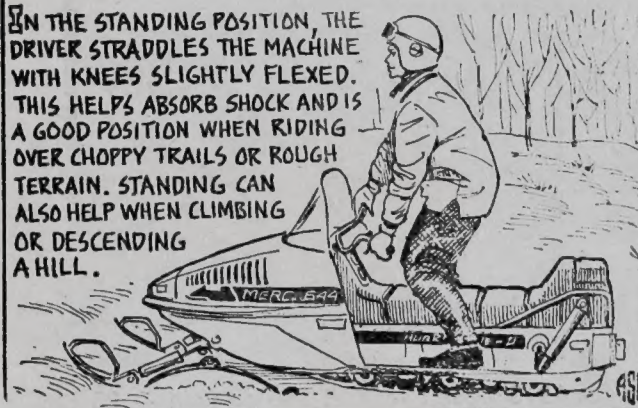

THE SAFE OPERATION OF A SNOWMOBILE DEPENDS TO A GREAT EXTENT ON THE DRIVER'S POSITION. ACCORDING TO THE AUTHORITIES AT MERCURY SNOWMOBILES, THE SITTING POSITION IS THE MOST COMMON AND SHOULD ALWAYS BE USED BY BEGINNERS. KEEP THE FEET AND LEGS CLOSE TO THE MACHINE AND NEVER USE THE FEET FOR STOPPING OR TURNING.

THE KNEELING POSITION, IN WHICH THE DRIVER PUTS ONE KNEE ON THE SEAT WITH THE OTHER FOOT ON THE RUNNING BOARD, IS RECOMMENDED WHEN RIDING ON THE SIDE OF A HILL. IN THIS POSITION, IT IS EASIER TO LEAN INTO THE HILL.

IN THE STANDING POSITION, THE DRIVER STRADDLES THE MACHINE WITH KNEES SLIGHTLY FLEXED. THIS HELPS ABSORB SHOCK AND IS A GOOD POSITION WHEN RIDING OVER CHOPPY TRAILS OR ROUGH TERRAIN. STANDING CAN ALSO HELP WHEN CLIMBING OR DESCENDING A HILL.

Chamber Highlights

from the desk of Marion Arntfield

With no Chamber of Commerce Board of Director's meeting in December, and with all the business and excitement of the holiday season, it seems a long time since I have said hello from the office. This is just to let you know that we are very much 'on the job' and the days are busy ones. Inquiries for accommodation are starting to come in, - six in to-day's mail - also, inquiries and telephone calls are coming in concerning our Winter Carnivals.

We are still having problems with our answering service, and just when we thought it was in good repair and ready to put in use again, we discovered a 'short' in the system, - so back it goes to Toronto for repairs. I am in the office daily until 4:30 p.m. but there are times when I must be absent for short periods (and from time to time an entire day, when I attend meet-

ings) so do not give up on me if there is no answer when you call.

To all who keep our highways and byways in such fine shape to help make our winter driving easier and safer - a very big 'thank you' gentlemen. I think I can safely say that driving under OUR conditions is better than driving in a city. Keep up the good work.

Our 1973 Directory will be go-

ing to press this month, it is incredible how time-consuming it can be to get this all in order for the printer. As many of you know, the first notices concerning 1973 advertisements went out in November. I had hoped to get the Directory to the printers in December, but for various reasons this has not been possible. Actually, there are two directories this year, one for 'accommodations' and one for 'business and services'. This is a first and it is with interest we'll publish the two brochures.

I am sure we are all looking forward to our Winter Carnivals, and will give them both our full support. See you there.

PROGRESS CITATIONS

Traditionally at this time of year, we kick our first edition off with a look over the past year and hand out our "Progress Citations of Merit". For the past eight years we have been handing out these citations — the recipients don't make a great pile of money, just go down in the records of time, as having left their mark in the pages of history in Minden.

Only one rule is in force here, winners can only take a citation once in any category, so for those who have walked away with a citation other years, will have to strive for accomplishment in another field to win again.

Competition for the best dressed lady and man gets tougher each year, for everyone is swinging these days in great looking threads — but here they are. The best dressed lady, Marilyn Palmer and the best dressed man is Ron Wrightman. These two citation winners have made great choices in their selection all year, which gave Minden a great dressed-up look.

In Minor Hockey Norm Harrison walks away with the citation for he has been a great builder in this organization both on and off the ice. For the best fan in this sport Molly McKenzie has to be recognized for her faithful support, which is extremely important to the game and the players.

June Beeney was an easy citation winner for her hours of work in the Minden Figure Skating club, without dedicated support from people like June it would not be a success.

Lionel Rowe has spent much of his time at the curling rink, and is always ready to assist when work has to be done, for his efforts here, he is the citation winner as curler of the year.

Politician of the year was an easy choice, Charles Brandon, our retired Reeve — we could write a full column on "Slim" (and we will) for he has certainly left his mark in this town.

Constable of the year is always a difficult choice, for the guys in blue here all do a great job for Haliburton County. The one that has been overlooked in recent years, but has always been a popular choice, Doug Heath wins the citation for '72.

Sportsman of the year has to go to none other than Paul Prentice for he has brought a tremendous amount of publicity to Minden through his great efforts on the snowmobile racing circuit.

Because Minden has always been a swinging place for night life, we have always given a citation of Merit to the best bartender in town, this years winner is Cliff Dufty of the Rockcliffe Hotel, always doing a great job.

For the best Rotarian the award goes to President Don Hall for he has done a great job in building up a strong membership. For the best Kinsman of the year Bill Payne has always been a big worker for his club.

Businessman of the year — Larry Cummins has made the biggest mark on the main street with his new store and fine selection of T.V. and radio merchandise.

So there you have it for another year — to all the citation winners this year, we offer our congratulations — you have made good contributions and Minden says thank you.

LETTER TO THE EDITOR

January 4, 1973

Dear Sir:

Perhaps you can find out for me why the flags were flying at full mast over the Canadian Legion Hall on December 30, 1972 while our late Prime Minister Lester B. Pearson was lying in State.

It seems to me that the Canadian Legion in Cobocok could have shown more respect, every other building along our route from Toronto to Minden had the flags lowered to half mast. I would sincerely appreciate an explanation if there is one.

LOWEST FATALITY RATE IN HALIBURTON COUNTY

The lowest per capita fatal accident rate in Ontario is in this County, a study of 1971 traffic collisions by the Ministry of Transportation and Communications reveals.

Haliburton, with three fatal accidents, in which four persons died, had a per capita death rate of 11.2 per 100,000 population.

The study shows Victoria County among the blackest in the province, with a rate of 45 or more per 100,000 population.

The study shows that 21 persons died in 13 fatal accidents in Victoria during 1971.

There were 808 other collisions in Victoria that year, and 300 of them sent 507 persons either to doctors or hospital.

Police investigated 315 accidents other than the three fatal collisions in Haliburton. Of these, 103 mishaps sent 192 seeking medical attention.

Across the province, 1,769 persons died as a result of traffic mishaps, an increase of 15.2 per cent over 1970 figures, when 1,535 people died.

The population increase from 1970 to 1971 was only 2.1 per cent incidentally.

All those accidents caused 84,650 injuries, in addition to the deaths, and property damage estimated at \$112 million.

In 1971, there were 3,364,891 cars, trucks, motorcycles, etc., using Ontario's road system, up 10.7 per cent from the previous year.

GAME OF THE WEEK — with Cliff Burke

KINGS JOLT JETS

The Minden Kings travelled to Little Britain on Saturday evening and downed the Jets easily 7 - 4.

The game started out slowly with both teams having passes going astray. However, the Kings did come out of the period with a 2 - 1 lead.

John Welch and Mike McElwain were the kings marks-

men.

The second period was a very chippy affair with both teams spending most of the period in the sin bin. The Kings were assessed twenty minutes and the Jets seventeen. Little Britain tied the score before the end of the period.

The third period was all Kings. They ran the Jets right out of their rink with five goals to win going away. Doug Ray, Rob Young, Bill Jackson, Scott Harvey and Royce Miller scored for the Kings.

These same teams will be tangling during Winter Carnival weekend. Saturday 27th at 8:00 p.m. to be exact. Lets have everyone out to support our Minden Kings, they really are a good team folks.

MINUTES WEST GUILFORD COMMUNITY CENTRE

The meeting was held on December 13, 1972. Eugene Ripley, Vice-Chairman, opened the meeting of the West Guilford Community Centre.

The minutes of the November 22 meeting were read. Harry Hobden moved that the minutes be adopted as read. The motion was seconded by Jackie Barry and was carried.

Dave Woodall of the Youth Committee reported that the Saturday morning art classes and Saturday evening Drop In held at the Centre each week end, might possibly be discontinued in the New Year.

Some discussion was held concerning the feasibility of applying for a Local Initiatives Program Grant. A special meeting was set for Monday, December 18th, to discuss this matter further.

The fund raising committee reported that the card parties are continuing on every other Thursday and that attendance is increasing.

The next meeting will be held January 10th, 1973, at 7:30 p.m.

Harry Hobden moved the meeting be adjourned. Motioned seconded by Jackie Barry.

SPORTS CORNER

with CLIFF BURKE

In Midget action over the Christmas holidays, Minden came up with one win and two losses.

On December 28th the Minden boys were bounced 7 - 2 by league leading Bobcaygeon. John Welch and Kirk Hewitt scored for Minden.

On January 5th Minden travelled to Fenelon Falls and played perhaps the best Midget game of the year in winning 4 - 2. The score was 1 - 0 at the end of one period with Kirk Hewitt the marksman for Minden. Fenelon Falls tied the score in the second and went ahead 2 - 1 early in the third. However, two straight goals by Doug Ray and a single tally by Al Trepanier settled the issue.

Minden dropped a hard fought 7 - 4 decision to the Haliburton Midgets on Sunday. After playing rather indifferent hockey for two periods and consequently falling behind 5 - 0, Minden came charging out in the third and scored four times. John Welch with two, Kirk Hewitt and Doug Ray with singles scored for Minden.

In Minden Bantam action Friday evening in Haliburton, our boys went down to a 7 - 1 defeat. The boys have nothing to be ashamed of in losing to the powerful Haliburton Bantams, as they are undefeated in league action to date. Shayne McKelvey scored the lone Minden goal. Barry Shaw was a standout on the Minden defence.

On Saturday January 6th the Minden Peewee 'A' team travelled to Beaverton to take part in the annual Beaverton Invitation Peewee Hockey Tournament.

Minden met the host team in the first round of the double knockout tournament and were thrashed 8 - 0. Basil McCrea led the Beaverton attack with four goals.

Minden then met Little Britain and were knocked out of further competition by dropping the game 6 - 3. Harold Porter (a first year Novice), Corey Coneybeare, and David Brown scored for Minden.

The Minden Novices travelled to Fenelon Falls for their annual Novice tournament and came away with a win and a loss.

In the first round Minden met the powerful Lindsay Novices and tied them 4 - 4. Minden was given the game due to scoring the first goal of the game. Harold Porter was the hero of the game scoring all four goals for Minden. The Minden boys then met Uxbridge and were laced 8 - 2. Ronnie Yake and Leslie Booth scored for Minden.

In Minden Peewee 'B' action over the holidays they remained undefeated after three games. After tying the first game of the year 1 - 1 with Haliburton, Minden defeated Wilberforce 4 - 2 and tied Haliburton again 4 - 4. Scoring for Minden in the Wilberforce game were Al Northey with two, Brian Hogg and Stewart Russell notched singles. In the Haliburton contest Al Northey picked up the hat trick while Stewart Russell had a single.

In the Major Men's Commercial Bowling league over the holidays, things tightened up considerably. The Rockcliffe Beer Nuts are presently holding down first place with 70 points. However, Haliburton Highballers and Modern Electric are only three points behind with 67 points. The standings then drop considerably to Cox's Colts with 49 points, Ingoldsby with 45 and Miles Roadrunners with 35 points.

In Dominion Hotel shuffleboard action last week Lloyd Ackerblade and Paul Warburton were the winners.

ABOUT THE TOWN

with Jeanne Sears

Three World Statesmen have died during the holiday season, former President of U.S.A. Harry Truman a very excellent head of his country. Then the Hon. Lester B. Pearson died on December 27th, a former Prime Minister, World Statesman and great Canadian and this past weekend the Hon. George Drew, leader of the Conservative Party. All three made their contribution to their country and the World.

Several deaths also with sincere sympathy to the families and friends of the late Mary Alsop, Archie Scott, Raymond Cook and Sam Pasquino.

The Mini Card Parties started again last Thursday afternoon at St. Paul's Parish Hall with winners being Ethel Leigh and Alice Clark, Lilian Davidson (perfect score) and Mary Maidens.

There were 15 present at the Haliburton County Library Office for a Workshop - Luncheon on January 3rd. Yearly reports were turned in and branch librarians had a chance to select books. Plans were made for a Book Exchange later this month.

Winners of the draws for fruit cakes for the Catholic Women's League were, Edith Russell of Hall's Lake; for the A.C.W. was Wayne Anderson.

Belated good wishes to Josephine Snell, Louise Yarnold, Maud Boice and Reuben Wilson of the Hyland Crest Senior Citizens' Home who celebrated birthdays last month.

The Angus Coulter Family Christmas Dinner Party was at the Floyd Millers on the Special Day with 41 present.

Lola and Morgan Prentice flew home from Florida for several days break in their winter holiday.

Everyone sends good wishes to Harold McCracken who is presently a patient at the local hospital. Lawrence Pritchard is making good progress but still in hospital. Mrs. Len Bates had the misfortune to fall and suffer a broken leg.

We have had numerous calls regarding when the Rotary Bingos will start again. Can any of you Rotarians give us a date on this?

The residents of Hyland Crest enjoyed several hours of music Tuesday night December 26th given by the Kellett family.

Jean and George Hewitt are away at the moment, enjoying a holiday in sunny Florida.

We hear the new Recreation Centre is coming along fairly well, there should be ice for hockey and figure skating after the middle of this month. Everyone should try to get out after this and support your minor hockey games.

Really cold this morning, Monday temperature below zero but a welcome change from the rain, still icy underneath in many places.

Cheerio until next week.
